

Immunization Record Work Sheet

Ask a parent/guardian to assist with the following assignment. Find your Immunization Record Card. Copy the dates when the vaccines were given and note the kind of vaccine that was given. If written, copy the date of the "next dose due." Answer the following questions:

1. Where is your immunization card kept?

- 2a. How old were you when you received your first vaccinations(s)?

- 2b. What vaccination(s) was/were given?

- 3a. How old were you when you received your most recent vaccination?

- 3b. What vaccination(s) was/were given?

4. How many doses of the polio vaccine have you been given?

5. How many doses of DTP/DT/Td were you given?

- 6a. What does MMR stand for?

- 6b. How many doses of MMR were you given?

7. Name all vaccines listed for which you have received more than one dose.

8. For what disease are you tested but not vaccinated?
